INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Houston Area Women's Center
Houston, Texas

We have audited the accompanying financial statements of Houston Area Women's Center (a Texas non-profit corporation), which comprise the statements of financial position as of December 31, 2016 and 2015, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Houston Area Women's Center as of December 31, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by *Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated June 6, 2017, on our consideration of Houston Area Women's Center's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Houston Area Women's Center's internal control over financial reporting and compliance.

Houston Area Women's Center

Notes to Financial Statements

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

The Houston Area Women's Center (the Women's Center) helps individuals affected by domestic and sexual violence in their efforts to move their lives forward. The Women's Center provides shelter, counseling and advocacy to support them in building lives free from the effects of violence. The organization also seeks social change to end domestic and sexual violence through community awareness and education. All services are confidential and available to everyone.

Program Descriptions

Direct services provide a continuum of support services including shelter, counseling, and 24-hour hotline services to survivors of domestic and sexual violence, their family and friends, and the community at large. All services are provided free of charge and are provided in English and Spanish. All other languages are accommodated, including sign language, through translation services.

Shelter and Support Services provides a 120-bed shelter and support services, for up to ninety days, to adult women and women with children who are domestic and sexual violence survivors.

- Shelter services include meeting basic daily needs, such as clothing, transportation, meals, and a safe place to stay.
- Support services include counseling, advocacy, case management, mentoring and parenting education, and a monthly legal clinic.
- The on-site career development program includes career/vocational counseling, educational services, access to ESL and GED tutoring, employment assistance, and life skills classes.
- Services for families include on-site daycare, an on-site Early Childhood Center for infants and children (ages 6 weeks to 5 years), on-site HISD school (kindergarten through 5th grade), and enrichment services, including on-site after school and summer programs.

Non-Residential Services provide services at the Education and Counseling building for adult and child survivors of domestic and sexual violence, and their non-offending family members. Non-Residential Services consists of Hotline Services, Counseling and Advocacy Services, Housing Services, Children's Court Services and Outreach Counseling programs.

- Hotline Services provide crisis intervention, emotional support, information, and referrals to survivors of domestic and sexual violence through two 24-hour hotlines. The hotline also oversees the hospital accompaniment program that dispatches an advocate to hospital emergency rooms to provide crisis intervention and advocacy.
- Counseling and Advocacy Services provide individual and group counseling for survivors of domestic and sexual violence and their families and friends. Counselors advocate for clients who are trying to navigate social services and help complete Crime Victims Compensation applications. Counselors also provide expert testimony in both civil and criminal cases.

Houston Area Women's Center Notes to Financial Statements

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

- Housing Services provides housing options and client advocacy for both shelter and non-residential clients. Housing advocacy assesses clients' housing needs and provides them with appropriate information and referrals, self-sufficiency planning workshops, tenant education sessions, access to transitional housing, and short-term and long-term rental/utility assistance. Client advocacy provides case management for housing clients and informs clients on legal rights and options, protective orders, and other legal services. A legal clinic is conducted for non-residential clients on a quarterly basis.
- Children's Court Services provides education, support, and witness preparation to children who are witnesses and/or victims of a violent crime and their non-offending family members. Court Advocates also provide court accompaniment to the children and their families once they are involved in the criminal court system.
- Outreach Counseling provides community-based counseling services for African-American, Hispanic, and disabled survivors of domestic and/or sexual violence. Outreach efforts include sites at health clinics and social service agencies.

Violence Prevention & Community Education provides education to community members about the dynamics of domestic and sexual violence, including the root causes, in the efforts to prevent these forms of violence.

- *Educational Programming* - The educational programming's goal is to bring awareness to the issue of domestic and sexual violence and the dynamics of these forms of violence is focused around three distinct target groups: (a) middle and high school youth, (b) low-income African American adults, and Hispanic adults with low English proficiency.
- *Professional Training* - The professional training programming's goal is to teach skill-based training to first responders within the community. These groups include medical/nursing students, child protective services, school administration within the Houston and Alief Independent School Districts, university students/faculty/staff, law enforcement, legal professional, special advocate groups, and community organizations that work primarily with low-income African American and Hispanic youth populations.
- *Primary Prevention* - Primary prevention seeks to reduce the overall likelihood that anyone will become a victim or a perpetrator by creating conditions that make violence less likely to occur. Our comprehensive approach utilizes educational seminars, training programs for professionals, and community mobilization to prevention domestic, sexual, and teen dating violence.
- *Communications* - The communications department provides information to the public on domestic and sexual violence issues and services via website, social media, public service announcements, brochures targeting special populations, interviews in the media, and collateral materials.

Houston Area Women's Center Notes to Financial Statements

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Accounting

The Women's Center's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The Women's Center's resources are reported for accounting purposes in separate classes of net assets based on the existence or absence of donor imposed restrictions. Accordingly, net assets of the Women's Center and changes therein are classified and reported as follows:

Unrestricted – Net assets that are not subject to donor-imposed stipulations. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors.

Temporarily Restricted – Net assets whose use by the Women's Center is subject to donor imposed stipulations that can be fulfilled by action of the Women's Center pursuant to those stipulations or that expire by the passage of time.

Permanently Restricted – Net assets subject to donor imposed stipulations that assets be maintained permanently by the Women's Center. Generally, the donor of these assets permits the Women's Center to use all or part of the investment income on these assets.

Support that is restricted by the donor and is to be used in future periods or for a specific purpose is reported as an increase in temporarily restricted or permanently restricted net assets in the reporting period in which the support is recognized. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities and changes in net assets as net assets released from restrictions.

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Women's Center considers all highly liquid investments with initial maturities of three months or less at the time of purchase to be cash equivalents.

Government Contracts and Pledges Receivable

The Women's Center considers all government contracts and pledges receivable to be fully collectible; accordingly, no allowance for doubtful accounts has been established. If amounts become uncollectible, they will be charged to operations when that determination has been made.

Pledges receivable consist of unconditional promises to give. Unconditional promises to give expected to be collected within one year are recorded at net realizable value. Unconditional promises to give expected to be collected in future years are recorded discounted to estimate the present value of future cash flow, if material. As of December 31, 2016 and 2015, all government contracts and pledges receivables are due within one year.

Houston Area Women's Center Notes to Financial Statements

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments and Investment Return

Investments are recorded at fair value. Investment return includes interest, dividends, capital gain distributions and realized and unrealized gains and losses. Investment return is reported in the statements of activities and changes in net assets as an increase in unrestricted net assets unless the use of the income is limited by donor imposed restrictions. Investment return whose use is restricted by the donor is reported as an increase in temporarily restricted net assets until expended in accordance with donor imposed restrictions.

Property and Equipment

Property and equipment are stated at cost or, if donated, at the approximate fair value at the date of donation. The Women's Center capitalizes all expenditures for furniture and equipment in excess of \$1,000. Depreciation is computed using straight-line basis over estimated useful lives of 4 to 30 years. Routine maintenance and repair costs are charged to expense in the year incurred.

Government Contracts

Revenue is recognized when the related services are provided. Grant and contract amounts received in advance and have not been earned are shown as deferred revenue.

Contributions

Contributions are recognized as revenue at fair value when an unconditional commitment is received from the donor. Contributions received with donor stipulations that limit their use are classified as restricted support. Conditional contributions are recognized in the same manner when the conditions are substantially met.

Donated Materials, Use of Facilities and Services

Donated materials, use of facilities and of services are recognized at fair value as unrestricted contributions when an unconditional commitment is received from the donor. The related expense is recognized as the item is used. Contributions of services are recognized when services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. A substantial number of volunteers have contributed approximately 7,598 and 5,760 hours for the years ended December 31, 2016 and 2015, respectively, in connection with programs for which no amount has been recognized in the financial statements because the services do not meet the criteria for recognition under general accepted accounting principles.

Functional Expenses

The majority of expenses can generally be directly identified with the program or supporting services to which they relate and are charged accordingly. Other expenses have been allocated among the programs and supporting services benefited based on various determinations by management.

Houston Area Women's Center Notes to Financial Statements

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Federal Income Taxes

The Women's Center is exempt from federal income tax under §501(c)(3) of the Internal Revenue Code and is classified as a public charity under §509(a)(1) and §170(b)(1)(A)(vi). Therefore, no provision for federal income tax has been made in these financial statements.

The Women's Center has determined there are no uncertain tax positions that require recognition of disclosures in the accompanying financial statements.

Concentration of Credit Risk

At various times during the years, the Women's Center's cash balances may exceed federally insured limits. The Women's Center has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents, due to the financial strength of the financial institutions where deposits are held.

Credit risk for pledges receivable is concentrated as well because substantially all of the balances are receivables from foundations and agencies located within the same geographic region.

Use of Estimates

In preparing the financial statements in conformity with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Estimates that have the most impact on financial position and results of operations primarily relate to the collectability of government contract and pledges receivable, useful lives of property and equipment, certain accrued liabilities and allocation of expense by function. Management believes these estimates and assumptions provide a reasonable basis for the fair presentation of the financial statements.

Reclassifications

Certain amounts in the 2015 financial statements have been reclassified to conform with the current year presentation with no effect on previously reported net assets.

Subsequent Events

The Women's Center has evaluated subsequent events through the time the financial statements are available for issuance on June 6, 2017. No matters were identified affecting the accompanying financial statements or related disclosures.

Houston Area Women's Center Notes to Financial Statements

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Recent Financial Accounting Pronouncement

In August 2016, the Financial Accounting Standards Board issued Accounting Standards Update (ASU) 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*. Under this ASU, net assets will be presented in two classes: net assets with donor restrictions and net assets without donor restrictions. Underwater endowments will be included in net assets with donor restrictions and new or enhanced disclosures regarding the composition of net assets will be required. Disclosures regarding liquidity and availability of resources for general operating expenditures within one year of the date of the statement of financial position must also be presented. The ASU requires expenses to be presented by both nature and function, and investment return will be presented net of investment expenses. Absent specific donor stipulations, the Women's Center will use the placed-in-service approach for reporting expirations of restrictions on long-lived assets. The ASU is effective for fiscal periods beginning after December 15, 2017, but early adoption is permitted. Adoption of this ASU will impact the presentation and disclosures of the Women's Center's financial statements.

NOTE 2: FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The fair value three tier hierarchy requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The three levels of inputs that may be used to measure fair value are as follows:

Level 1: Quoted market prices in active markets for identical assets or liabilities.

Level 2: Inputs other than Level 1 inputs that are either directly or indirectly observable such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; inputs other than quoted prices that are observable; or other inputs not directly observable, but derived principally from, or corroborated by, observable market data.

Level 3: Unobservable inputs that are supported by little or no market activity.

The Women's Center utilizes the market approach to measure fair value for its financial assets and liabilities. The market approach uses prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities. Investments in mutual funds are included in Level 1 as they are currently traded in active markets.

Houston Area Women's Center Notes to Financial Statements

NOTE 2: FAIR VALUE MEASUREMENTS (Continued)

The value of assets and liabilities measured at fair value on a recurring basis are as follows:

	Quoted Market Prices in Active Markets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	Total
December 31, 2016				
Investments				
Large-cap equity mutual funds	\$ 4,286,985	\$ -	\$ -	\$ 4,286,985
Intermediate-term bond mutual funds	2,133,181	-	-	2,133,181
Total investments measured at fair value	6,420,166	-	-	6,420,166
Total assets measured at fair value	\$ 6,420,166	\$ -	\$ -	\$ 6,420,166
December 31, 2015				
Investments				
Large-cap equity mutual funds	\$ 4,024,790	\$ -	\$ -	\$ 4,024,790
Intermediate-term bond mutual funds	2,122,278	-	-	2,122,278
Total investments measured at fair value	6,147,068	-	-	6,147,068
Total assets measured at fair value	\$ 6,147,068	\$ -	\$ -	\$ 6,147,068

Mutual funds are valued at the net asset value of shares held at year end. This valuation method may produce a fair value that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Women's Center believes its valuation method appropriate, the use of different methods or assumptions could result in a different fair value measurement at the reporting date.

The following summarizes the investment return in the statements of activities and changes in net assets:

<i>For the years ended December 31,</i>	2016	2015
Dividends and interest income	\$ 159,078	\$ 169,802
Net realized and unrealized gains (losses)	356,788	(110,542)
	\$ 515,866	\$ 59,260

Investments are exposed to various risks such as interest rate, market and credit risks. Because of these risks, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of financial position and the statements of activities and changes in net assets.

Houston Area Women's Center Notes to Financial Statements

NOTE 2: FAIR VALUE MEASUREMENTS (Continued)

The Women's Center's remaining financial instruments (primarily cash and cash equivalents, receivables, payables and borrowings) are carried in the financial statements at amounts that reasonably approximate fair value.

NOTE 3: PROPERTY AND EQUIPMENT

Property and equipment are recorded at cost as follows:

<i>December 31,</i>	2016	2015
Land	\$ 1,905,383	\$ 1,905,383
Building and improvements	9,210,837	9,139,305
Furniture and equipment	2,453,583	2,340,879
	13,569,803	13,385,567
Less: accumulated depreciation	(6,506,373)	(6,008,475)
	\$ 7,063,430	\$ 7,377,092

Depreciation expense for the years ended December 31, 2016 and 2015 totaled \$497,898 and \$435,910, respectively.

NOTE 4: COMPENSATED ABSENCES

Employees of the Women's Center are entitled to paid vacation depending on job classification, length of service, and other factors. The Women's Center has accrued approximately \$189,000 and \$228,000 at December 31, 2016 and 2015, respectively, related to accumulated earned vacation, which is included in accrued expenses in the accompanying statements of financial position.

NOTE 5: CAPITAL LEASE

Effective January 1, 2016, the Women's Center is the lessee of office equipment under a capital lease expiring in December 2020. The asset and liability under this capital lease are recorded at the lower of the present value of the minimum lease payments or the fair value of the asset. The asset is amortized over its estimated productive life. Amortization expense totaling \$18,920 of the asset under this capital lease is included in depreciation expense for the year ended December 31, 2016.

As of December 31, 2016, the office equipment cost and accumulated amortization totaled \$94,598 and \$18,920, respectively.

Houston Area Women's Center Notes to Financial Statements

NOTE 5: CAPITAL LEASE (Continued)

Future minimum lease payments are as follows:

For the year ending December 31,

2017	\$	17,168
2018		17,168
2019		17,168
2020		17,167
Total minimum lease payments		68,671
Less amount representing interest		(7,795)
Present value of minimum lease payments		\$ 60,876

NOTE 6: UNRESTRICTED NET ASSETS

Unrestricted net assets include the following:

<i>December 31,</i>	2016	2015
Board-designated reserve fund	\$ 5,441,415	\$ 5,316,551
Undesignated	235,457	309,959
Property and equipment	7,063,430	7,377,092
	\$ 12,740,302	\$ 13,003,602

NOTE 7: TEMPORARY RESTRICTIONS ON NET ASSETS

Temporarily restricted net assets include the following:

<i>December 31,</i>	2016	2015
Direct services	\$ 972,937	\$ 970,247
Future periods	639,533	98,656
Accumulated endowment fund earnings		
Building maintenance	270,930	222,900
Direct services	33,780	29,782
Transportation	4,148	3,642
Other	47,802	474,491
	\$ 1,969,130	\$ 1,799,718

Houston Area Women's Center Notes to Financial Statements

NOTE 8: PERMANENTLY RESTRICTED NET ASSETS

Permanently restricted net assets are invested in perpetuity to support the following:

<i>December 31,</i>	2016	2015
Building maintenance	\$ 529,594	\$ 529,594
Direct services	135,629	39,929
Transportation	4,670	4,670
	\$ 669,893	\$ 574,193

NOTE 9: ENDOWMENT

The Women's Center has three donor-restricted endowments to support certain programs and building maintenance and are maintained in accordance with explicit donor stipulations. The Women's Center is subject to the Texas Uniform Prudent Management of Institutional Funds Act (TUPMIFA) which has been enacted by the state of Texas. The Board of Directors of the Women's Center has interpreted TUPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Women's Center classifies the original gifts donated to the permanent endowment as permanently restricted net assets. The remaining portion of the donor-restricted endowment fund that is not classified as permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Women's Center in a manner consistent with the standard of prudence prescribed by TUPMIFA.

In accordance with TUPMIFA, the Women's Center considers the following factors in making determination to appropriate accumulated donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the Women's Center and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Women's Center
- (7) The investment policies and objectives of the Women's Center

Spending Policy

The Women's Center has a policy of appropriating for distribution each year an amount not to exceed 3% of the endowment fund's average fair value over the prior twelve quarters without specific Board of Directors approval. In establishing this policy, the Women's Center considered the long-term expected return on the endowments.

Houston Area Women's Center Notes to Financial Statements

NOTE 9: ENDOWMENT (Continued)

Strategies Employed for Achieving Objectives

Endowment funds are maintained in investment accounts which are managed by independent financial firms that follow guidance provided in an investment policy approved by the Board of Directors. The Women's Center has adopted investment policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowments while seeking to maintain the purchasing power of the endowment assets. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce annualized returns of at least 3% in excess of the Consumer Price Index over a five-year period. To satisfy its long-term rate-of return objectives, the Women's Center relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Women's Center targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Endowment funds by net asset classification are as follows:

<i>December 31,</i>	2016	2015
Temporarily restricted net assets	\$ 308,858	\$ 256,324
Permanently restricted net assets	669,893	574,193
	\$ 978,751	\$ 830,517

Changes in endowment net assets are as follows:

	Temporarily Restricted	Permanently Restricted	Total
Endowment net assets, December 31, 2014	\$ 268,235	\$ 574,193	\$ 842,428
Investment return			
Investment and dividends	22,893	-	22,893
Net depreciation of investments	(15,313)	-	(15,313)
Amounts appropriated for expenditures	(19,491)	-	(19,491)
Endowment net assets, December 31, 2015	256,324	574,193	830,517
Contributions	-	95,700	95,700
Investment return			
Interest and dividends	21,493	-	21,493
Net appreciation of investments	49,074	-	49,074
Amounts appropriated for expenditures	(18,033)	-	(18,033)
Endowment net assets, December 31, 2016	\$ 308,858	\$ 669,893	\$ 978,751

Houston Area Women's Center Notes to Financial Statements

NOTE 10: GOVERNMENT CONTRACTS

The Women's Center is the recipient of government contracts from federal, state, and local agencies. Should these contracts not be renewed, a replacement for this source of support may not be forthcoming and related expenses would not be incurred. Government contract revenue includes the following:

<i>For the years ended December 31,</i>	2016	2015
U.S. Department of Housing and Urban Development	\$ 1,538,960	\$ 1,482,299
U.S. Department of Justice	462,719	473,194
U.S. Department of Health and Human Services	676,403	548,402
Texas Health and Human Services Commission	318,476	432,487
Office of the Attorney General - State of Texas	252,242	199,194
Various other government contracts	290,658	288,509
	\$ 3,539,458	\$ 3,424,085

The Women's Center receives grants from federal and state funding sources that require fulfillment of certain conditions as set forth in grant contracts and are subject to review and audit by the awarding agencies. Such reviews and audits could result in the discovery of unallowable activities and unallowable costs. Consequently, any of the funding sources may, at their discretion, request reimbursement for expenses or return of funds as a result of noncompliance by the Women's Center with the terms of the contracts. Management believes such disallowances, if any, would not be material to the Women's Center's financial position or changes in net assets.

NOTE 11: EMPLOYEE BENEFIT PLAN

The Women's Center participates in a \$401(k) plan administered by American United Life Insurance Company. Each employee is permitted to contribute up to 19% of before-tax compensation. The Women's Center annually matches 125% of employee contributions up to 4% of compensation. Employees are fully vested in the Women's Center's contributions after five years of continuous service. The Women's Center contributed approximately \$95,000 and \$113,000 to the plan in 2016 and 2015, respectively.

NOTE 12: OPERATING LEASES

The Women's Center is obligated through May 2017 under various noncancellable operating leases for office equipment. The minimum future lease payments for 2017 are \$10,957.

Total rental expense for operating leases was \$44,361 and \$37,898 for the years ended December 31, 2016 and 2015, respectively.

Houston Area Women's Center Notes to Schedule of Expenditures of Federal Awards

NOTE 1: BASIS OF PRESENTATION OF SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") present the federal fund expenditures of all federal award programs of Houston Area Women's Center for the year ended December 31, 2016. The information in this Schedule is presented in accordance with the requirements of *Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost of Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Therefore, some amounts presented in this Schedule may differ from amounts presented in or used in the preparation of the Women's Center's financial statements.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles as found in the Uniform Guidance for federal awards. The Women's Center has elected not to use the 10% de minimus indirect cost rate allowed under the Uniform Guidance.

NOTE 3: RELATIONSHIP TO FINANCIAL REPORTS SUBMITTED TO GRANTOR AGENCIES

Amounts reflected in the financial reports filed with grantor agencies for the programs and the supplementary schedules may not agree because of accruals included in the next report filed with the agencies, matching requirements not included in the Schedule of Expenditures of Federal Awards and different program year ends.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Houston Area Women's Center
Houston, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Houston Area Women's Center (the Women's Center), which comprise the statement of financial position as of December 31, 2016, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 6, 2017.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Women's Center's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Women's Center's internal control. Accordingly, we do not express an opinion on the effectiveness of the Women's Center's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Women's Center's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Women's Center's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Women's Center's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of the Board of Directors
Houston Area Women's Center
Houston, Texas

Report on Compliance for Each Major Federal Program

We have audited Houston Area Women's Center's compliance with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Women's Center's major federal programs for the year ended December 31, 2016. The Women's Center's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal programs applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Women's Center's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards, the Uniform Guidance, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Women's Center's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Women's Center's compliance.

Opinion on Each Major Federal Program

In our opinion, the Women's Center's complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2016.

Report on Internal Control over Compliance

Management of the Women's Center is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Women's Center's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Women's Center's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
