#### Form 990, Part III, Line 4a - Program Service Accomplishments

Non-Residential Services provide services at the Education and Counseling building for adult and child survivors of domestic and sexual violence, and their non-offending family members. Non-Residential Services consists of Hotline Services, Counseling and Advocacy Services, Housing Services, Children's Court Services and Outreach Counseling programs.

•Hotline & Crisis Intervention Services is the gateway to all services provided by HAWC. Our services are free, confidential, and available to all 24/7/365 in 150+ languages. Hotline Crisis Counselors provide crisis intervention, emotional support, lethality assessments, safety planning, shelter placement, and referrals to community resources. In collaboration with other shelters our team identifies shelter space to minimize the number of calls a survivor makes and then connects the call directly to prevent further challenges. Our Safe Passage program helps transport survivors to emergency shelters and our Safe Harbor program allows temporary placement in a hotel as needed. Our crisis team responds to local hospitals and works with sexual assault nurse examiners, social workers, and law enforcement to provide essential support services.

•Counseling and Advocacy Program, staff members aim to establish an emotionally safe space in which individuals can begin to process through their trauma, know they are not alone, acquire a healthy set of coping skills, gain tools on how to increase safety, as well as recognize personal strengths which have assisted them in surviving. Our services are free of charge and available to men, women, and child age survivors. Clients can access our program through a myriad of ways (Hotline; Outreach; word of mouth, etc.). We offer approximately 40 groups per week with daytime, evening, and weekend availability in order to eliminate barriers a

accessing support, services are rendered in several community-based organizations though our strategic partnerships.

•Housing Services, HAWC assists clients with obtaining housing resources, including rental/utility assistance and accessing permanent and affordable housing through a continuing collaboration with four HUD funded domestic violence agencies to provide housing services through a coordinated access process essentially creating one access door. To encourage success in our own scattered site transitional housing, housing prevention, and rapid re-housing program, our client advocates provide case management, connect to internal and external resources and assist survivors with filing victims' compensation claims, accessing social services and legal advocacy. Staff will provide case management for 6 months after completion of the program to track progress.

•Children's Court Services (CCS) provides unique and specialized services for child victims/witnesses facing the daunting task of testifying in criminal court. We provide them with information, support and court orientation, as well as a supportive presence in the courtroom during the trial, creating a safe environment that reduces children's trauma. Our Client Advocates provide ongoing support, internal and community resources, case updates, advocacy and case management to non- offending parents/guardians from the beginning of the process until the cases are set for trial. At that point, cases are transferred to Court Advocates to provide court preparation and accompaniment.

•Outreach Counseling provides community-based counseling services for African-American, Hispanic, and disabled survivors of domestic and/or sexual violence. Outreach efforts include sites at health clinics and social service agencies.
