

KITS FOR SURVIVORS

Help support survivors and their families during this critical time. As the pandemic continues, there are still ways to help, from the comfort of your home, or with a group of friends or coworkers.

Support the women, children and families we service by creating handy grab and go kits, to be distributed to clients as needed.

5 EASY STEPS

1. Email volunteermanagement@hawc.org

Introduce yourself and identify which kit(s) you and/or your group plan to create, and your goal date for completing the project.

2. Collect items

However you choose, collect the items necessary to completely fill each type of kit identically. You can hold a drive, ask friends/family to participate, or get your coworkers involved.

3. Assemble

Assemble the kits into convenient size packs as described below.

4. Schedule a dropoff

Call 713-528-2298 or email volunteermanagement@hawc.org to schedule a drop off time to our 1010 Waugh Drive location.

5. Drop off

Drop the kits off at your designated time and have your picture taken with your donations.

NOTE: PLEASE CREATE A MINIMUM OF 15 IDENTICAL KITS. MORE ARE ENCOURAGED FOR CONSISTENCY IN AVAILABILITY, BUT WE APPRECIATE ALL DONATIONS. ALL ITEMS MUST BE NEW, FRESHLY DATED AND IN GOOD CONDITION. ANY ADDITIONAL QUESTIONS CAN BE DIRECTED TO VOLUNTEERMANAGEMENT@HAWC.ORG
THANK YOU SO MUCH FOR YOUR SUPPORT!
